

### The Dove Marine Laboratory, Cullercoats, Tyne and Wear

Only 9 miles from Newcastle city centre and a 30 minute Metro ride, the coastal location of the Dove Marine Laboratory offers a novel and picturesque setting for your staff away day, workshop or small conference.

We have two rooms available for hire.

#### Conference facilities

- **Buchanan Room** - This room is set up cabaret style with 5 large round tables, each seating 6 people.
- **Evans Room** - With sinks, laboratory style benches and meeting area, this room doubles as a laboratory-style workshop room or a novel meeting room in a marine laboratory setting for up to 30 delegates.

### The Blyth Marine Station, Blyth, Northumberland

The Blyth Marine Station is located 13 miles outside of Newcastle in Blyth Marina and is home to our Research Vessel, The Princess Royal.

#### Conference facilities

The conference room offers a spacious area that can be utilised for meetings, conferences, small workshops and project demonstrations. This versatile space has the advantage of internal bi-fold doors enabling one large room to be divided into two smaller meeting spaces if required. The venue has on-site parking, and a small kitchen for serving refreshments.

## School of Natural and Environmental Science

# Conference Facilities

The School offers excellent conference facilities at four sites cross the North East set in both rural and coastal locations. All venues offer a range of versatile and competitively priced event spaces with audio visual facilities and wifi.

Catering and refreshments can be arranged through a selection of local caterers who provide finger buffet, BBQ and afternoon tea options to suit the requirements of your delegates.

*Just to say I thought the venue was great, and the support from people at Cockle Park was excellent.*  
Richard

## Beautiful settings to generate ideas.

Set in beautiful rural and coastal Northumberland, our venues cater for all shapes and sizes of conferences

### Cockle Park Farm - Morpeth, Northumberland

With easy access to the A1 and on-site parking, Cockle Park is an ideal venue for meetings, conferencing and product demonstrations.

We have a range of rooms available for hire.

#### Conference facilities

- **The Seminar Room** - Based in a modern barn conversion, this room is the perfect space for conferences with up to 60 delegates. The room is suitable for boardroom meetings, theatre-style presentations, and classroom teaching. *Please note this room is on the first floor and there is no lift.*
- **The Lodge** - A versatile, spacious room that can hold up to 40 delegates for conferences or presentations. This flexible space provides a reception area, kitchen facilities and meeting space. The Lodge is ideal as a breakout or refreshment area when booked as part of our larger conference package.
- **The Wheldon Meeting Room** - A boardroom that can accommodate up to 12 delegates which can also provide a breakout space when booked as part of our larger conference package.

*Fresh air and a change of scenery can make all of the difference, and I would recommend Cockle Park. Excellent facilities, catering and a productive space to rethink, or strategize.*  
Claire I

### Nafferton Farm - Stocksfield, Tyne Valley

12 miles west of Newcastle near Stocksfield in the Tyne Valley along the A69 easily accessed from the East and West carriageways.

#### Conference facilities

The Nafferton Seminar Room is a versatile open plan meeting space for up to 40 delegates and is suitable for meetings, conferences and small workshops. Nafferton Farm provides ample free parking and a small kitchen for serving refreshments.

*I thought it was a great day where we were made to feel welcome in a clean and well laid out space. I think the facilities were great and allowed for the full range of activities. The catering and drinks available were wonderful, and there was a good range of options available. The staff were all friendly and created a nice, positive environment.*  
Tony
